

2018 Joint Allergy, Asthma & Immunology Annual Meeting of the Carolinas
Agenda
March 23-25, 2018

Francis Marion Hotel
Charleston, South Carolina

Friday, March 23, 2018

- 4:30 pm – 6:30 pm** **Exhibits Set Up**
- 7:00 pm – 9:00 pm** **Welcome Reception with Cocktails and Heavy Hors D'Oeuvres/
Visit Exhibits**

Saturday, March 24, 2018

- 7:30 am - 8:00 am** **Breakfast/Registration/Visit Exhibits**
- 8:00 am - 8:15 am** **Welcome**
- 8:15 am - 9:15 am** **Emerging Concepts in Chronic Cough**
Mandel R. Sher, MD
At the end of this session, the attendee should be able to:
Apply the concept of cough response hypersensitivity to the understanding of chronic cough.
Apply the concept of cough response hypersensitivity to the management of chronic cough.
- 9:15 am - 10:15 am** **Revisiting Severe Asthma: Challenges and Opportunities**
William W. Busse, MD
(Jointly provided by PCME and Rockpointe)
(Supported by AstraZeneca and Novartis Pharmaceuticals Corporation, Inc.)

At the end of this session, the attendee should be able to:
Incorporate increased understanding of the pathogenesis of severe asthma, clinical phenotypes, and disease severity to stratify patients.
Incorporate the latest clinical evidence of the MOAs, safety, and efficacy profiles of new and emerging biologic agents into management decisions to guide personalized management plans.
Engage the entire care team, especially patients and nurses to effectively communicate management plans that incorporate pharmacologic and nonpharmacologic strategies to improve disease understanding and adherence to treatment.

- 10:15 am - 10:30 am** **Coffee Break/Visit Exhibits**
- 10:30 am - 11:30 am** **A Wheeze in Sheep's Clothing**
Chung A. Lee, MD, PhD
At the end of this session, the attendee should be able to:
Describe mimics of asthma in children and their work up.
Explain the mechanics of wheezing.
- 11:30 am – 12:00 pm** **Allergy, Asthma, and Immunology Society of SC Annual Business Meeting**
- 12:00 pm – 1:30 pm** **NC Allergy, Asthma and Immunology Society Business Meeting/Lunch**
(Magnolias Restaurant – 185 East Bay Street)
(Supported by CSL Behring)
- 6:00 pm – 7:30 pm** **Dinner and Scientific Presentation**
(Pawpaw Restaurant – 209 East Bay Street)
- Issues And Updates In Hereditary Angioedema**
Marc A. Riedl, MD, MS
(The activity is jointly provided by RMEI Medical Education, LLC, and the University of California, San Diego (UCSD) School of Medicine (CME provider), and is supported by independent educational grants from CSL Behring, Pharming Healthcare, Inc., and Shire.)
- At the end of this session, the attendee should be able to:*
Recognize the possibility of HAE in patients who present with angioedema and integrate a diagnostic workup for angioedema that includes analysis for the various types of HAE (Type I, Type II, and normal C1INH).
Incorporate current, novel, and emerging treatments for HAE based on an understanding of their efficacy, safety, and guidance for use.

Sunday, March 25, 2018

- 7:30 am - 8:00 am** **Breakfast/Visit Exhibits**
- 8:00 am – 9:00 am** **Hypereosinophilic Syndromes: A Pragmatic Approach to Diagnosis**
Amy D. Klion, MD
At the end of this session, the attendee should be able to:
Describe the spectrum of eosinophilic disorders.
Outline the diagnostic tools available for the classification of patients with HES.

- 9:00 am – 10:00 am** **Common Variable Immunodeficiency: Update on Non-Infectious Complications and Treatment**
Marc A. Riedl, MD, MS
(Sponsored by the Duke University Jeffrey Modell Diagnostic and Research Center)
At the end of this session, the attendee should be able to:
Review the clinical presentation and management of common non-infectious complications in CVID.
Discuss emerging research aimed at improved understanding of CVID-related complications.
- 10:00 am - 10:15 am** **Coffee Break/Visit Exhibits**
- 10:15 am - 11:15 am** **Therapy for Hypereosinophilic Syndromes in the Era of Personalized Medicine**
Amy D. Klion, MD
At the end of this session, the attendee should be able to:
Compare and contrast the most common agents used to treat hypereosinophilic syndrome (HES).
Discuss recent advances in targeted therapies for eosinophilic disorders.
- 11:15 am - 12:15 pm** **When A Fever is Not Just Primary Immunodeficiency: Diagnosis and Management of Periodic Fever Syndromes**
Edward M. Behrens, MD
At the end of this session, the attendee should be able to:
Acquire increased insight with the presentation and diagnostic evaluation of Periodic Fever Syndromes.
Explain the treatment of Periodic Fever Syndromes including synthetic and biologic drugs.

Continuing Medical Education

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the South Carolina Medical Association and the Allergy, Asthma and Immunology Society of South Carolina.

The South Carolina Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The South Carolina Medical Association designates this “live activity” for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To be compliant with the AMA's "Physician's Recognition Award and Credit System," we require physicians to attest to the amount of time they are claiming credit – which should be commensurate with the extent of time they participate in a CME activity.

To assure compliance, we now require all physicians attending or participating in an accredited CME activity, to complete the "contact information" portion of the evaluation and, specifically, sign where indicated on the evaluation.

The 2018 Allergy, Asthma and Immunology Society of South Carolina is designed for allergists.

The Allergy, Asthma and Immunology Society of South Carolina reserves the right to modify speakers, topics, and learning objectives as needed.

The Allergy, Asthma and Immunology Society of South Carolina will gladly assist registrants with special needs. Please make requests in writing on or before February 12, 2018.

Revisiting Severe Asthma: Challenges and Opportunities

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and Rockpointe. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

DESIGNATION STATEMENT

Boston University School of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For information about the accreditation of this program, please email: cme@bu.edu.

Issues and Updates In Hereditary Angioedema

ACCREDITATION STATEMENT This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of California, San Diego School of Medicine and RMEI Medical Education, LLC. The University of California, San Diego School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION The University of California, San Diego School of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Non-physician credit is not offered, however participants will receive a certificate of attendance.
